

# Bartiméus :

## **CVI: materials for education and coaching**

Bartiméus is an expert in the diagnosis of CVI (Cerebral Visual Impairment), and treats children and adults with this condition. The Bartiméus expertise center CVI offers several materials and downloads in English for professionals and clients.

### **Online course**

Starting november 2022. More info: e-mail [fpilon@bartimeus.nl](mailto:fpilon@bartimeus.nl)

### **CVI animation**

Video: [CVI at a young age – YouTube- explanation for children in English](#)

### **CVI documentary**

Video: [What is CVI - YouTube- Dutch spoken with subtitles in English](#)

### **MyCVI serious game**

Online game with information about CVI, the difficulties you may experience when you have CVI and ways of coping with these difficulties.

[www.mijn cvi.nl](http://www.mijn cvi.nl) (choose English).

### **Book: CVI Experience**

CVI Experience tries to allow people to experience the complexity of visual processing. This knowledge and experience ensures greater empathy and understanding among everyone involved with people with CVI. This book includes CVI Experience files that can be used for the exercises.
